Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to take the relevant action in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

17. Trustee Contracting with the Issuer

Neither the Trustee nor any director or officer of a corporation acting as a trustee under this Trust Deed shall by reason of its or his fiduciary position be in any way precluded from:

- (a) entering into or being interested in any contract or financial or other transaction or arrangement with the Issuer or any person or body corporate associated with the Issuer (including without limitation any contract, transaction or arrangement of a banking or insurance nature or any contract, transaction or arrangement in relation to the making of loans or the provision of financial facilities to, or the purchase, placing or underwriting of or the subscribing or procuring subscriptions for or otherwise acquiring, holding or dealing with the Securities or any stocks, shares, debenture stock, debentures, notes or other securities of any person or body corporate associated with the Issuer); or
- (b) accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by or relating to the Issuer or any such person or body corporate so associated with the Issuer or any such person or body corporate so associated, and shall be entitled to retain and shall not be in any way liable to account for any profit made or share of brokerage or commission or remuneration or other benefit received thereby or in connection therewith.

18. Waiver, Authorisation and Determination

The Trustee may, without prejudice to its rights in respect of any subsequent breach from time to time and at any time but only if and in so far as in its opinion the interests of the Holders shall not be materially prejudiced thereby, waive or authorise any breach or proposed breach by the Issuer of any of the covenants or provisions contained in this Trust Deed (other than a breach or proposed breach relating to the subject of a Reserved Matter) *provided that* the Trustee shall not exercise any powers conferred on it by this Clause 18 in contravention of any express direction given by Extraordinary Resolution but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding on the Holders and, unless the Trustee agrees otherwise, shall be notified by the Issuer to the Holders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

19. Modification

The Trustee may without the consent or sanction of the Holders at any time and from time to time concur with the Issuer in making any modification (a) to this Trust Deed (other than in respect of a Reserved Matter) which in the opinion of the Trustee it may be proper to make, *provided that* the Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the Holders or (b) to this Trust Deed if in the opinion of the Trustee such modification is of a formal, minor or technical nature or to correct a manifest error. Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding upon the Holders and, unless the Trustee agrees otherwise, shall be notified by the Issuer to the Holders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

20. Currency Indemnity

The Issuer agrees that if a judgment, order or award given or made by any court or arbitral tribunal for the payment of any amount in respect of this Trust Deed is expressed in a currency (the “**Judgment Currency**”) other than in United States Dollars (the “**Denomination Currency**”), the Issuer will pay any deficiency arising or resulting from any variation in rates of exchange between the date as of which the amount in the Denomination Currency is notionally converted into the amount in the Judgment Currency for the purposes of such judgment, order or award and the date of actual payment thereof.

This obligation constitutes a separate and independent obligation from the other obligations under this Trust Deed, and will give rise to a separate and independent cause of action, will apply irrespective of any waiver or extension granted from time to time and will continue in full force and effect notwithstanding any judgment, order or award for a liquidated sum or sums in respect of amounts due in respect of this Trust Deed or under any such judgment, order or award for a liquidated sum or sums in respect of amounts due in respect thereof or under any such judgment, order or award.

21. New Trustee; Separate and Co-trustees

21.1 Appointment of Trustees

The power to appoint a new trustee of this Trust Deed shall be vested in the Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution. One or more persons may hold office as trustee or trustees of this Trust Deed but such trustee or trustees shall be or include a Trust Corporation. Whenever there shall be more than two trustees of this Trust Deed the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Trustee by this Trust Deed, *provided that* a Trust Corporation shall be included in such majority. Any appointment of a new trustee of this Trust Deed shall as soon as practicable thereafter be notified by the Issuer to the Principal Paying Agent, the Registrar and the Holders.

21.2 Co-trustees

Notwithstanding the provisions of sub-Clause 21.1 (*Appointment of Trustees*), the Trustee may, upon giving prior written notice to the Issuer (but without the consent of the Issuer or the Holders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee:

- (a) if the Trustee considers such appointment to be in the interests of the Holders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of this Trust Deed against the Issuer.

21.3 Attorneys

The Issuer irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the

provisions of this Trust Deed) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by this Trust Deed) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee by written notice to the Issuer shall have power in like manner to remove any such person. Such reasonable remuneration as the Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of this Trust Deed be treated as Liabilities incurred by the Trustee.

22. Trustee's Retirement and Removal

The Trustee may retire at any time on giving not less than three months' prior written notice to the Issuer without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Holders may by Extraordinary Resolution remove any trustee or trustees for the time being of this Trust Deed. The Issuer undertakes that in the event of the only trustee of this Trust Deed which is a Trust Corporation giving notice under this Clause 22 or being removed by Extraordinary Resolution it will use all reasonable endeavours to procure that a new trustee of this Trust Deed being a Trust Corporation is appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective until a successor trustee being a Trust Corporation is appointed and, if in such circumstances, no such appointment has become effective within two months of the date of such notice or Extraordinary Resolution, the Trustee shall be entitled to appoint a Trust Corporation as trustee of this Trust Deed, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution.

23. Trustee's Powers to Be Additional

The powers conferred upon the Trustee by this Trust Deed shall be in addition to any powers which may from time to time be vested in the Trustee by the general law or as a holder of any of the Securities.

24. Notices

Any notice or demand to the Issuer or the Trustee to be given, made or served for any purposes under this Trust Deed shall be given, made or served by sending the same by pre-paid post (first class if inland, first class airmail if overseas), facsimile transmission or by delivering it by hand as follows:

if to the Issuer:

or to such other address or facsimile number as shall have been notified (in accordance with this Clause 24) to the other party hereto and any notice or demand sent by post as aforesaid shall be deemed to have been given, made or served three days in the case of inland post or seven days in the case of overseas post after despatch and any notice or demand sent by facsimile transmission as aforesaid shall be deemed to have been given, made or served at the time of despatch, *provided that* in the case of a notice or demand given by facsimile transmission such notice or demand shall forthwith be confirmed by post. The failure of the addressee to receive such confirmation shall not invalidate the relevant notice or demand given by facsimile transmission.

The Trustee shall have no duty or obligation to verify or confirm that the person who sent instructions or directions by fax, email or any other unsecured method of any communication is, in fact, a person authorised to give instructions or directions on behalf of the Issuer and the Trustee shall not be responsible for any Liabilities incurred or sustained by the Issuer as a result of such reliance upon or compliance with such instructions or directions.

25. Governing Law

25.1 Governing Law

This Trust Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

25.2 English Courts

Subject to sub-Clause 25.4 (*Arbitration*), for the exclusive benefit of the Trustee and each of the Holders, the Issuer hereby irrevocably agrees that the courts of England shall have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Trust Deed and the Securities and that accordingly any suit, action or proceedings (together referred to as “**Court Proceedings**”) arising out of or in connection with any of the above may be brought in such courts. Nothing contained in this paragraph shall, subject to sub-Clause 25.4 (*Arbitration*), limit any right of the Trustee and/or each of the Holders to take Court Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Court Proceedings in any one or more jurisdictions preclude the taking of Court Proceedings in any other jurisdiction, whether concurrently or not.

25.3 Appropriate Forum

The Issuer irrevocably and unconditionally:

- (a) waives any objection which it may now or in the future have to the laying of the venue of any Court Proceedings in the English courts on the grounds that such Court Proceedings have been brought in an inconvenient forum; and
- (b) agrees that a judgment or order of an English court in connection with any of this Trust Deed and the Securities is conclusive and binding on it and may be enforced against it in the courts of any other jurisdiction to which the Issuer is or may be subject by suit upon such judgment.

25.4 Arbitration

Notwithstanding sub-Clause 25.2 (*English Courts*), at the sole option of the Trustee, (unless instructed otherwise under Condition 6.7 (*Calculation of Payment Amounts: Dispute Resolution*)) any dispute arising out of or in connection with this Trust Deed or the Securities (including any question regarding the existence, validity or termination of, or any non-contractual obligation arising out of or in connection with, this Trust Deed or the Securities) shall be submitted to arbitration (“**Arbitration Proceedings**”, and together with Court Proceedings, “**Proceedings**”) for final settlement under the arbitration rules of the Rules of the London Court of International Arbitration (“**LCIA**”) (the “**LCIA Rules**”), which rules are deemed to be incorporated by reference into this sub-Clause 25.4 as supplemented and/or varied by this sub-Clause 25.4 and by sub-Clause 25.5 (*Formation of Arbitration Tribunal*). For the avoidance of doubt, neither the Issuer nor the Holders shall have the option to elect Arbitration Proceedings under any circumstances.

25.5 Formation of Arbitration Tribunal

The Tribunal will consist of three arbitrators. Each party shall have the right to nominate one arbitrator, *provided that* if there is more than one claimant party and/or more than one respondent party, the claimant parties shall together appoint one arbitrator and the respondent parties shall together nominate one arbitrator and in such circumstances the parties agree that the disputing parties represent two separate sides for the formation of the arbitral tribunal in accordance with Article 8.1 of the LCIA Rules. The claimant party or parties and the respondent party or parties to the arbitration shall jointly nominate the third arbitrator who shall act as the chairman of the arbitral tribunal. In the event that:

- (a) any party or parties to the arbitration fail to appoint an arbitrator within the time limit specified by the LCIA Rules; or
- (b) the parties fail to jointly nominate the third arbitrator within 45 days after service of the Request for Arbitration (as defined in the LCIA Rules),

the LCIA shall proceed to appoint an arbitrator in place of the defaulting party or parties without regard to any late nomination by such defaulting party or parties.

25.6 Seat and Language of Arbitration

The seat of any such arbitration shall be London, and the language of the arbitration shall be English. The decision and award of the arbitrators shall be final and binding and shall be enforceable in any court of competent jurisdiction (including, but not limited to, the courts of any state which is a signatory to the 1958 New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards).

25.7 Disapplication

The parties hereto waive any right to apply to a court to determine a preliminary point of law or to appeal on a point of law under Section 45 and 69 of the Arbitration Act 1996.

25.8 Exclusive Jurisdiction

The agreement by all the parties to refer all disputes arising out of or in connection with this Trust Deed and the Securities to Proceedings in accordance with sub-Clauses 25.2 (*English Courts*) and (in the case of the Trustee only) 25.4 (*Arbitration*) is exclusive such that the Issuer shall not be permitted to bring proceedings in any other court or tribunal other than by way of counterclaim in respect of proceedings brought by the Trustee and/or (in the case of Court Proceedings only) each of the Holders in respect of any of the above documents in such other court or tribunal in accordance with this Clause 25.

25.9 Service of Process

The Issuer hereby appoints the Ambassador of Ukraine to the Court of St. James's at the Embassy of Ukraine in London to act from time to time, as its agent to receive service of process in any Court Proceedings in England based on this Trust Deed or the Securities. If for any reason the appointment of such agent for service of process lapses, the Issuer agrees that it will promptly appoint a substitute process agent (acceptable to the Trustee) and notify the Holders in accordance with the applicable Conditions of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.

25.10 Waiver of Immunity

To the extent that the Issuer or any of its revenues, assets or properties are entitled, in England or any other jurisdiction where Court Proceedings may at any time be brought against it or any of its revenues, assets or properties, to any immunity from suit, from the jurisdiction of any such court, from set-off, from attachment in aid of execution of a judgment, from execution of a judgment or from any other legal or judicial process or remedy (other than a pre-judgment attachment which is expressly not waived), and to the extent that in any such jurisdiction there shall be attributed such an immunity, the Issuer irrevocably agrees not to claim and irrevocably waives such immunity to the fullest extent permitted by the laws of such jurisdiction and consents generally for the purposes of the State Immunity Act 1978 to the giving of any relief or the issue of any process in connection with any Proceeding. The Issuer reserves the right to plead sovereign immunity under the United States Foreign Sovereign Immunities Act of 1976 with respect to actions brought against it in any court of or in the United States of America under any United States federal or State securities law. This waiver of immunities constitutes only a limited and specific waiver for the purposes of the Securities and the Trust Deed and under no circumstances shall it be interpreted as a general waiver by the Issuer or a waiver with respect to proceedings unrelated to the Securities and the Trust Deed. The Issuer does not waive such immunity in respect of property which is (i) used by a diplomatic or consular mission of the Issuer (except as may be necessary to effect service of process), (ii) property of a military character and under the control of a military authority or defence agency, or (iii) located in Ukraine and dedicated to a public or governmental use (as distinct from property dedicated to a commercial use).

26. Counterparts

This Trust Deed and any trust deed supplemental hereto may be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed

and any party to this Trust Deed or any trust deed supplemental hereto may enter into the same by executing and delivering a counterpart.

27. English Language Version

In the event of any conflict between this English language version of this Trust Deed and any version executed between the parties in Ukrainian language, the English language version shall prevail.

28. Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Trust Deed has no rights under the Contract (Rights of Third Parties) Act 1999 (the “**Act**”) to enforce any term of this Trust Deed but this does not affect any right or remedy of a third party which exists or is available apart from the Act or (for the avoidance of doubt) as a consequence of such party being a beneficiary of this Trust Deed.

In witness whereof this Trust Deed has been executed as a deed by the Issuer and the Trustee and is intended to be and is hereby delivered on the date first before written.

Mutilated or defaced Security Certificates must be surrendered before replacements will be issued.

11. Trustee and Agents

The initial Paying Agent for the Securities shall be The Bank of New York Mellon, London Branch. Ukraine reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents provided that:

Under the Trust Deed, the Trustee is entitled to be indemnified and relieved from responsibility in certain circumstances including relief from taking action unless indemnified to its satisfaction and to be paid its costs and expenses in priority to the claims of the Holders. In addition, the Trustee is entitled to enter into business transactions with the Issuer and any entity relating to the Issuer without accounting for any profit.

In the exercise of its powers and discretion under these Conditions and the Trust Deed, the Trustee will have regard to the general interests of the Holders as a class (and shall not have regard to any interests arising from circumstances particular to individual Holders whatever their number) and in particular will not be responsible for any consequence for individual Holders as a result of such Holders being connected in any way with a particular territory or taxing jurisdiction.

The Trustee is exempted from any liability with respect to any loss or theft or reduction in value of the Securities, and from any obligation to insure or procure the insurance of the Securities.

In acting under the Agency Agreement and in connection with the Securities, the Agents act solely as agents of the Issuer and (to the extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Holders.

further issues of Securities pursuant to Condition 15 (*Further Issues*) or in any manner that the parties thereto may deem mutually necessary or desirable and that will not adversely affect, in any material respect, the interests of the Holders.

(e) ***Securities controlled by the Issuer.***

For the purposes of (i) determining the right to attend and vote at any Meeting, or the right to sign or confirm in writing, or authorise the signature of, any Written Resolution, and (ii) Condition 12(a); any Securities which are for the time being held by or on behalf of the Issuer or by or on behalf of any person which is owned or controlled directly or indirectly by the Issuer or by any public sector instrumentality of the Issuer shall be disregarded and be deemed not to remain outstanding, where:

- (i) **“public sector instrumentality”** means the Ministry of Finance, the National Bank of Ukraine, any other department, ministry or agency of the government of Ukraine; and
- (ii) **“control”** means the power, directly or indirectly, through the ownership of voting securities or other ownership interests or through contractual control or otherwise, to direct the management of or elect or appoint a majority of the board of directors or other persons performing similar functions in lieu of, or in addition to, the board of directors of a corporation, trust, financial institution or other entity.

A Note will also be deemed to be not outstanding if the Note has previously been cancelled or delivered for cancellation or held for reissuance but not reissued, or, where relevant, the Note has previously been called for redemption in accordance with its terms or previously become due and payable at maturity or otherwise and the Issuer has previously satisfied its obligations to make all payments due in respect of the Note in accordance with its terms.

In advance of any Meeting, or in connection with any Written Resolution, the Issuer shall provide to the Trustee a copy of the certificate which includes information on the total number of Securities which are for the time being held by or on behalf of the Issuer or by or on behalf of any person which is owned or controlled directly or indirectly by the Issuer or by any public sector instrumentality of the Issuer and, as such, such Securities shall be disregarded and deemed not to remain outstanding for the purposes of ascertaining the right to attend and vote at any Meeting or the right to sign, or authorise the signature of, any Written Resolution in respect of any such Meeting. The Trustee shall make any such certificate available for inspection during normal business hours at its Specified Office and, upon reasonable request, will allow copies of such certificate to be taken.

13. Enforcement

The Trustee may at any time, at its discretion and without notice, institute such proceedings as it thinks fit to enforce its rights against the Issuer under the Trust Deed in respect of the Securities, but it shall not be bound to do so unless:

- (i) it has been so requested in writing by the Holders of at least 25 per cent. in Notional Amount of the outstanding Securities or has been so directed by an Extraordinary Resolution; and

- (ii) it has been indemnified and/or prefunded and/or provided with security to its satisfaction.

No Holder may proceed directly against the Issuer unless the Trustee, having become bound to do so, fails to do so within a reasonable time and such failure is continuing.

14. Notices

All notices to Holders may be delivered in person or sent by mail or facsimile transmission or telex to them at their respective addresses, facsimile or telex numbers reflected in the Register. Any such notice shall be deemed to have been given, in the case of a letter delivered by hand, at the time of delivery, in the case of a letter sent by mail, on the fourth weekday (excluding Saturday and Sunday) after the date of mailing, in the case of facsimile transmission, at the time of dispatch or, in the case of a telex, on receipt of an answerback confirmation by the sender, except that, so long as the Securities are listed on the Irish Stock Exchange, notices will also be published either via the Companies Announcement Office of the Irish Stock Exchange or in the Irish Times. Any such notice shall be deemed to have been given on the date of such publication.

15. Further Issues

The Issuer is at liberty from time to time, without the consent of Holders but subject as provided in the Trust Deed, to create and issue further Securities ranking equally in all respects so that the same shall be consolidated and form a single series with the Securities even if doing so may adversely affect the value of any then outstanding. Any such further Securities shall form a single series with the then outstanding Securities and shall be constituted by a deed supplemental to the Trust Deed.

16. Governing Law

The Trust Deed, the Agency Agreement and the Securities are governed by, and will be construed in accordance with, English law.

The Issuer has in the Trust Deed irrevocably agreed, for the benefit of the Trustee and the Holders, and subject to Clause 25.4 (*Arbitration*) of the Trust Deed, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed or the Securities and that accordingly any suit, action or proceedings arising thereunder or in connection therewith (together referred to as “**Court Proceedings**”) may be brought in the courts of England. Nothing contained herein or in the Trust Deed shall limit, subject to Clause 25.4 (*Arbitration*) of the Trust Deed, any right of the Trustee and/or each of the Holders to take Court Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Court Proceedings in any one or more jurisdictions preclude the taking of Court Proceedings in any other jurisdiction, whether concurrently or not.

The Issuer has in the Trust Deed irrevocably and unconditionally waived any objection which it may have now or subsequently to the laying of the venue of any Proceedings in the courts of England on the grounds that such Court Proceedings have been brought in an inconvenient forum and has further irrevocably and unconditionally agreed that a judgment or order of the courts of England in connection with the Trust Deed or the Securities shall be conclusive and

binding upon the Issuer, and may be enforced against it in the courts of any other jurisdiction to which the Issuer is or may be subject.

The Issuer has in the Trust Deed appointed the Ambassador of Ukraine to the Court of St. James's at the Embassy of Ukraine in London, from time to time, to act as its agent to receive service of process in any Court Proceedings in England based on the Trust Deed or the Securities. If for any reason the appointment of such agent for service of process lapses, the Issuer has in the Trust Deed agreed that it will promptly appoint a substitute process agent (acceptable to the Trustee) and notify the Holders in accordance with Condition 14 (*Notices*) of such appointment.

Nothing herein or in the Trust Deed shall affect the right to serve process in any other manner permitted by law.

Ukraine has also specifically and expressly agreed in the Trust Deed that any disputes which may arise out of or in connection with the Trust Deed or the Securities (including any questions regarding their existence, validity or termination) shall, at the sole option of the Trustee exercisable in accordance with Clause 25.4 (*Arbitration*) of the Trust Deed, be referred to and finally resolved by arbitration instituted by the Trustee under the Rules of the London Court of International Arbitration. The arbitration tribunal shall consist of three arbitrators to be approved in accordance with Clause 25.5 (*Formation of Arbitration Tribunal*) of the Trust Deed. The seat of arbitration shall be London and the language English.

To the extent that the Issuer or any of its revenues, assets or properties are entitled, in England or any other jurisdiction where Proceedings may at any time be brought against it or any of its revenues, assets or properties, to any immunity from suit, from the jurisdiction of any such court, from set off, from attachment in aid of execution of a judgment, from execution of a judgment or from any other legal or judicial process or remedy (other than a pre judgment attachment which is expressly not waived), and to the extent that in any such jurisdiction there shall be attributed such an immunity, the Issuer has in the Trust Deed irrevocably agreed not to claim and has irrevocably waived such immunity to the fullest extent permitted by the laws of such jurisdiction (and consents generally for the purposes of the State Immunity Act 1978 to the giving of any relief or the issue of any process in connection with any Proceeding). The Issuer reserves the right to plead sovereign immunity under the U.S. Foreign Sovereign Immunities Act of 1976 with respect to actions brought against it in any court of or in the United States of America under any United States federal or State securities law. The waiver of immunities referred to in the Trust Deed constitutes only a limited and specific waiver for the purposes of the Securities and the Trust Deed and under no circumstances shall it be interpreted as a general waiver by the Issuer or a waiver with respect to proceedings unrelated to the Securities and the Trust Deed. The Issuer has not waived such immunity in respect of property which is (i) used by a diplomatic or consular mission of the Issuer (except as may be necessary to effect service of process), (ii) property of a military character and under the control of a military authority or defence agency, or (iii) located in Ukraine and dedicated to a public or governmental use (as distinct from property dedicated to a commercial use).

17. Contracts (Rights of Third Parties) Act

No rights are conferred on any person under the Contracts (Right of Third Parties) Act 1999 to enforce any term of the Securities, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

18. Currency Indemnity

The Issuer agrees that if a judgment, order or award given or made by any court or arbitral tribunal for the payment of any amount in respect of any Security is expressed in a currency (the “**judgment currency**”) other than the United States dollars (the “**denomination currency**”), the Issuer will pay any deficiency arising or resulting from any variation in rates of exchange between the date as of which the amount in the denomination currency is notionally converted into the amount in the judgment currency for the purposes of such judgment, order or award and the date of actual payment thereof. This obligation will constitute an obligation separate and independent from the other obligations under the Securities, will give rise to a separate and independent cause of action, will apply irrespective of any waiver or extension granted from time to time and will continue in full force and effect notwithstanding any judgment, order or award for a liquidated sum or sums in respect of amounts due in respect of the relevant Security or under any such judgment, order or award.
