15.2 Tribunal

The Tribunal will consist of three arbitrators. Each party shall have the right to nominate one arbitrator, provided that if there is more than one Claimant party and/or more than one Respondent party, the Claimant parties shall together appoint one arbitrator and the Respondent parties shall together nominate one arbitrator and in such circumstances the parties agree that the disputing parties represent two separate sides for the formation of the arbitral tribunal in accordance with Article 8.1 of the LCIA Rules. The Claimant party or parties and the Respondent party or parties to the arbitration shall jointly nominate the third arbitrator who shall act as the Chairman of the arbitral tribunal. In the event that:

- (a) any party or parties to the arbitration fail to appoint an arbitrator within the time limit specified by the LCIA Rules; or
- (b) the parties fail to jointly nominate the third arbitrator within 45 days after service of the Request for Arbitration (as defined in the LCIA Rules),

the LCIA shall proceed to appoint an arbitrator in place of the defaulting party or parties without regard to any late nomination by such defaulting party or parties.

15.3 Seat

The seat of any such arbitration shall be London, and the language of the arbitration shall be English. The decision and award of the arbitrators shall be final and binding and shall be enforceable in any court of competent jurisdiction (including, but not limited to, the courts of any state which is a signatory to the 1958 New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards).

15.4 Disapplication

The parties hereto waive any right to apply to a court to determine a preliminary point of law or to appeal on a point of law under the effect of Section 45 and 69 of the Arbitration Act 1996.

16. Governing Law and Jurisdiction

16.1 Governing Law

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

16.2 Jurisdiction

Subject to Clause 15.1 (*Arbitration Proceedings*), for the exclusive benefit of the Trustee and the Agents, the Issuer hereby irrevocably agrees that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) or the consequences of its nullity and accordingly any legal action or proceedings arising out of or in connection with this Agreement (“**Court Proceedings**”) may be brought in such courts. Subject to Clause 15 (*Arbitration*) the Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Court Proceedings in such courts on the ground of venue or on the ground that the Court Proceedings have been brought in an inconvenient forum. Subject to Clause 15 (*Arbitration*) this submission shall not affect the right of the Trustee or the Agents to take Court Proceedings against the Issuer in any other court of competent jurisdiction nor shall the taking of such Court Proceedings in any court of competent jurisdiction preclude the taking of Court Proceedings in any other court of competent jurisdiction (whether concurrently or not).

16.3 Process Agent

The Issuer agrees that the process by which any Court Proceedings are begun and any other documents required to be served in relation to those Court Proceedings may be served on it by being delivered in connection with any Court Proceedings in England, to the Ambassador of Ukraine at the Embassy of Ukraine to the Court of St James’s (the “**Ambassador**”), from time to time. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall appoint a further person in England to accept service of process on its behalf and agrees to promptly notify the Noteholders of any such appointment, and, failing such appointment within 15 days, any Paying Agent or the Trustee shall be entitled to appoint such a person by written notice to the Issuer. Nothing in this Clause 16.3 shall affect the right of any Paying Agent or the Trustee to serve process in any other manner permitted by law.

16.4 Waiver of Immunity

To the extent that the Issuer or any of its revenues, assets or properties are entitled, in England or any other jurisdiction where Court Proceedings may at any time be brought against it or any of its revenues, assets or properties, to any immunity from suit, from the jurisdiction of any such court, from set-off, from attachment in aid of execution of a judgment, from execution of a judgment or from any other legal or judicial process or remedy (other than a pre-judgment attachment which is expressly not waived), and to the extent that in any such jurisdiction there shall be attributed such an immunity, the Issuer irrevocably agrees not to claim and irrevocably waives such immunity to the fullest extent permitted by the laws of such jurisdiction and consents generally for the purposes of the State Immunity Act 1978 to the giving of any relief or the issue of any process in connection with any Proceeding. The Issuer reserves the right to plead sovereign immunity under the United States Foreign Sovereign Immunities Act of 1976 with respect to actions brought against it in any court of or in the United States of America under any United States federal or State securities law. This waiver of immunities constitutes only a limited and specific waiver for the purposes of this Agreement and under no circumstances shall it be interpreted as a general waiver by the Issuer or a waiver with respect to proceedings unrelated to this Agreement. The Issuer does not waive such immunity in respect

of property which is (i) used by a diplomatic or consular mission of the Issuer (except as may be necessary to effect service of process), (ii) property of a military character and under the control of a military authority or defence agency, or (iii) located in Ukraine and dedicated to a public or governmental use (as distinct from property dedicated to a commercial use).

17. Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Agreement shall have no rights under the Contract (Rights of Third Parties) Act 1999 (the “Act”) to enforce any term of this Agreement but this does not affect any right or remedy of a third party which exists or is available apart from the Act or (for the avoidance of doubt) as a consequence of such party being a beneficiary of this Agreement.

18. Modification

The parties hereto may agree, without the consent of the Noteholders, to any modification of any of the provisions of this Agreement or the Notes which is of a formal, minor or technical nature, is made to correct a manifest error, or in the sole opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders.

Schedule 1

Regulations Concerning the Transfer, Exchange and Registration of each Note (the “Regulations”)

1. Notes which are sold to non-U.S. persons outside the United States in reliance on Regulation S may be transferred in a minimum denomination of U.S.\$100,000 and in integral multiples of U.S.\$1,000 in excess thereof. Notes which are sold to QIBS or Accredited Investors in transactions exempt from the registration requirements of the Securities Act may be transferred in minimum denomination of U.S.\$100,000 and in integral multiples of U.S.\$1,000 in excess thereof (each of the above denominations, an “Authorised Denomination”). In these Regulations, any reference to “Notes” shall be construed so as to mean, unless the context otherwise requires, any Global Note and/or Note Certificate. For the avoidance of doubt, unless otherwise defined herein, terms used in these Regulations shall have the meanings assigned to such terms in this Agreement.
2. The Issuer shall at all times ensure that the Registrar maintains at its specified office, or at such other place as the Trustee may agree, a register showing the amount of the Notes from time to time outstanding and the dates of issue and all subsequent transfers and changes of ownership thereof and the names and addresses of the registered Holders of the Notes. The Trustee and the registered Holders of the Notes or any of them and any person authorised by it or any of them may at all reasonable times during office hours inspect the register and take copies of or extracts from it. The register may be closed by the issuer for such periods at such times (not exceeding in total 30 days in any one year) as it may see fit.
3. Each Note shall have an identifying serial number which shall be entered on the register.
4. Subject to paragraphs 6 and 12 below, a Note may be transferred in whole or in part in an Authorised Denomination by execution of the relevant Form of Transfer under the hand of the transferor or, where the transferor is a company or corporation, pursuant to the necessary company or corporate authorisation for such company or corporation, subject, in the case of the Restricted Notes, to such certifications to U.S. Securities Law matters as are required. Where the Form of Transfer is executed by an attorney or, in the case of a company or a corporation, pursuant to the necessary company or corporate authorisation for such company or corporation, a copy of the relevant power of attorney certified by a financial institution in good standing or a notary public or in such other manner as the Registrar may require or, as the case may be, a certified copy of the appropriate corporate authorisation must be delivered with the Form of Transfer. In these Regulations, “transferor” shall, where the context permits or requires, include joint transferors and shall be construed accordingly.
5. The Note to be transferred or exchanged must be surrendered for registration, together with the Form of Transfer (including any certification as to compliance with restrictions on transfer included in such Form of Transfer) endorsed thereon, duly completed and executed, at the specified office of the Registrar or the Transfer Agent, and together with such evidence as the Registrar or, as the case may be, the Transfer Agent may reasonably require to prove the title of the transferor and the authority of the persons who have executed the Form of Transfer. The signature of the person effecting a transfer or exchange of a Note shall conform to any list of duly authorised specimen signatures supplied by the Holder of such Note or be certified by a financial institution in good standing, notary public or in such other manner as the Registrar or such Transfer Agent may require.
6. No Noteholder may require the transfer of a Note to be registered during the period of 15 calendar days ending on the due date for any payment of principal or interest in respect of such Note.

7. In the event of the death of a Holder, the executors or administrators of a deceased Holder of any Notes (not being one of several joint Holders) and, in the case of the death of one or more of several joint Holders, the survivor or survivors of such joint Holders, shall be the only persons recognised by the Issuer as having any title to such Notes.
8. Any person becoming entitled to any Notes in consequence of the death or bankruptcy of the Holder of such Notes may, upon producing such evidence that he holds the position in respect of which he proposes to act under this paragraph or of his title as the Registrar or the Transfer Agent shall require (including legal opinions), become registered himself as the Holder of such Notes or, subject to the provisions of these Regulations, the Notes and the Conditions as to transfer, may transfer such Notes. The Issuer and the Paying Agents shall be at liberty to retain any amount payable upon the Notes to which any person is so entitled until such person shall be registered as aforesaid or shall duly transfer the relevant Notes.
9. Unless otherwise required by him and agreed by the issuer, the holder of any Notes shall be entitled to receive only one Note Certificate in respect of his holding.
10. The joint Holders of any Note shall be entitled to one Note Certificate only in respect of their joint holding which shall, except where they otherwise direct, be delivered to the joint Holder whose name appears first in the register in respect of the joint holding.
11. Where there is more than one transferee (to hold other than as joint Holders), separate Forms of Transfer (obtainable from the specified office of the Registrar or the Transfer Agent) must be completed in respect of each new holding.
12. Where a Holder of Notes represented by a Note Certificate has transferred part only of his holding comprised therein, there shall be delivered to him a new Note Certificate in respect of the balance of such holding, *provided that* neither the part transferred nor the balance not transferred shall be other than in an Authorised Denomination.
13. The Issuer, the Transfer agent and the Registrar shall, save in the case of the issue of replacement Notes pursuant to Condition 10 (*Replacement of Note Certificates*) of the Conditions, make no charge to the Holders for the registration of any holding of Notes or any transfer thereof or for the issue of any Notes or for the delivery thereof at the specified office of the Transfer Agent or the Registrar or by uninsured post to the address specified by the Holder, but such registration, transfer, issue or delivery shall be effected against such indemnity from the Holder or the transferee thereof as the Registrar or the Transfer Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such registration, transfer, issue or delivery.
14. Provided a transfer of a Note is duly made in accordance with all applicable requirements and restrictions upon transfer and the Note(s) transferred are presented to the Transfer Agent and/or the Registrar in accordance with the Agency Agreement and these Regulations, and subject to unforeseen circumstances beyond the control of the Transfer Agent or the Registrar arising, the Transfer Agent or the Registrar will, within five business days of the request for transfer being duly made, deliver at its specified office to the transferee or despatch by uninsured post (at the request and risk of the transferee) to such address as the transferee entitled to the Notes represented by such Note Certificate may have specified, a Note Certificate in respect of which entries have been made in the register, all formalities complied with and the name of the transferee completed on the Note Certificate by or on behalf of the Registrar; and, for the purposes of this paragraph, "business day" means a day (other than a Saturday or a Sunday) on which commercial banks are open for business (including dealings in foreign currencies) in the cities in which the Registrar and any such Transfer Agent have their respective specified offices.

15. Notes that are transferred to QIBS shall be issued only upon receipt by the Registrar of a Form of Transfer (the “Transfer Certificate”) substantially in the Form of the Second Schedule to this Agreement and executed by transferor.

In the case of any Note Certificate issued upon transfer or exchange of an interest in the Restricted Global Note, and so long as such Note is a “restricted security” (as defined in Rule 144 under the Securities Act), the Registrar shall not register the transfer or exchange of such Note unless such Note is being transferred:

- (a) in an offshore transaction that meets the requirements of Rule 903 or 904 of Regulation S under the Securities Act and an appropriate notation is made on the Transfer Certificate which is delivered to the Registrar; or
- (b) to a person whom the transferor and any person acting on its behalf reasonably believes is a qualified institutional buyer (as defined in Rule 144A under the Securities Act) purchasing for its own account or for the account of a qualified institutional buyer in a transaction meeting the requirements of Rule 144A; or
- (c) to the Issuer or its affiliate;

and *provided that* the principal amount of the Notes being transferred in the case of sub-paragraph (a) above is equal to U.S.\$100,000 or in the case of subparagraph (b) above, is equal to U.S.\$100,000 or, in either case, any multiple of U.S.\$1,000 in excess thereof.

16. Notwithstanding paragraph 17 below, no transfer of a Note may be effected unless:

- (a) such Note is transferred in a transaction that does not require registration under the Securities Act;
- (b) such transfer is effected in accordance with the provisions of any restrictions on transfer specified in the Securities Act Legend (as defined below) set forth on the face of such Note;
- (c) the transferee delivers to the Registrar or the relevant Transfer Agent a Transfer Certificate (including any certification as to compliance with restrictions on transfer included in such Transfer Certificate) endorsed on such Note; and
- (d) if the Issuer so requests or if the Form of Transfer so requires, the relevant Transfer Agent and the Registrar receive an opinion of counsel satisfactory to all of them.

17. Subject to the provisions of this Clause 17, any Note Certificate issued in exchange for a beneficial interest in the Restricted Global Note shall bear the legend set forth at the head of the Form of Restricted Note Certificate set out in the Trust Deed (the “Securities Act Legend”). If Note Certificates are issued upon the transfer or replacement of Unrestricted Notes, the Note Certificates so issued shall not bear the Securities Act Legend. If Note Certificates are issued upon the transfer, exchange or replacement of Restricted Notes, or if a request is made to remove the Securities Act Legend from a Note Certificate, the Note Certificates so issued shall bear the Securities Act Legend, or the Securities Act Legend shall not be removed, as the case may be, unless there is delivered to the Transfer Agent and the Registrar such evidence (which may include an opinion of counsel reasonably satisfactory to all of them) as may be reasonably required by the Transfer Agent and the Registrar that neither the Securities Act Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Rule 144 or Regulation S under the Securities Act or are otherwise exempt from the registration requirements of the Securities Act or that the Notes represented by such Note Certificates are not “restricted securities” within the meaning of Rule 144 under the Securities Act. Upon receipt of written notification from the Transfer Agent and the Registrar that the evidence presented is satisfactory, the Registrar shall authenticate and deliver a Note Certificate that does not bear the Securities Act Legend. If the Securities Act

Legend is removed from the face of a Note Certificate and the Note represented by such Note Certificate is subsequently held by the Issuer and the Registrar is notified in writing by the Issuer that the Note represented by such Note Certificate is so held, the Securities Act Legend shall be reinstated and the Issuer and/or the relevant Transfer Agent shall, upon its acquisition of such a Note or upon obtaining actual knowledge that such Note is held by such affiliate, notify the Registrar thereof in writing.

18. Notwithstanding any provision to the contrary herein, so long as a Restricted Global Note remains outstanding and is held by or on behalf of DTC, transfers, exchanges or replacements of that Restricted Global Note, in whole or in part, shall only be made in accordance with the Securities Act Legend and the legends relating to DTC set forth thereon.
19. Persons taking delivery of a beneficial interest in an Unrestricted Global Note may not elect to take delivery thereof by way of a beneficial interest in the Restricted Global Note.
